

OPEN SPACES AVAILABLE FOR HIRE

The church space, church hall, kindergarten and meeting rooms are available at a variety of times for rent on a permanent or semi-permanent basis. Casual hire for concerts and rehearsals may be possible

A grand piano is available in the church space.

We do not rent spaces for parties!

Some times are already booked but we have substantial availability for suitable groups that fit in with the Church ethos.

Please see the layout plan on the reverse.

The rooms are light filled and sunny spaces.

There is a kitchen available for use as well.

The 3 yo kindergarten that had been run out of the church site closed recently. This space is fully furnished and has bathroom facilities ideal for little ones. The outdoor play area has a rubberised softfall surface.

The kindergarten area complies with Australian Standards.

To make an inspection time or discuss availability please:
